⚠ WARNING!

If any parts are missing or broken, please contact our customer service department at www.kraftwerktools.com.

Read carefully and understand all ASSEMBLY AND OPERATION INSTRUCTIONS before operating. Failure to follow the safety rules and other basic safety precautions may result in serious personal injury.

SAFETY INSTRUCTIONS

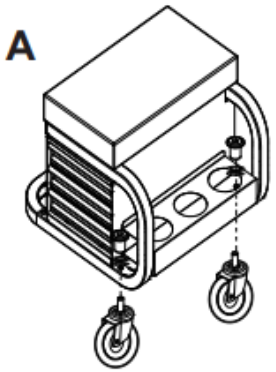

WARNING:

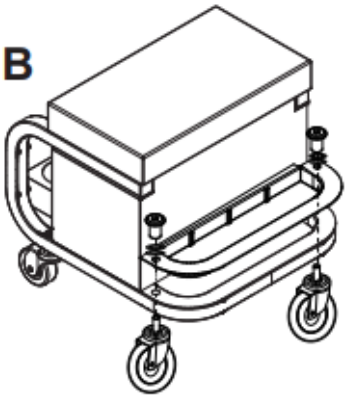

Read, study and follow all instructions before assembling or operating this device. Failure to heed these instructions may result in personal injury and/or property damage. Do not exceed maximum capacity of 120 kg. Do not stand on the seat. This seat is designed for use on hard, level surfaces capable of sustaining the load. Use on other than hard, level surfaces could result in load instability and possible loss of load resulting in property damage and personal injury. Alterations shall not be made to this product because of the dangers associated with the misuse of this product. If seat is not operating properly, or parts are loose, missing, or broken, stop use of seat immediately. Seat's fabric will burn. Exercise care when used near open flame, lit cigarettes, cigars, etc.
