New Workbench

Art. 104.103.001
Workbench with 3 drawers and 1 wall cabinets

The Versatile KRAFTWERK Steel Workbench with Top Storage Compartment

Create the perfect workspace that meets your highest demands. This workbench is the ideal solution for garages, workshops, hobby rooms, or professional environments. It provides a solid and stable foundation for assembly work, repairs, woodworking, metalworking, and any other tasks that require a reliable base.

The work surface is positioned at a comfortable and ergonomic height of 92 cm. It features a 20 mm thick, certified rubberwood top, known for its exceptional hardness, durability, and resistance to impacts and wear.

The integrated pegboard is perfect for keeping your most frequently used tools and accessories within easy reach. Additional storage is provided by the spacious overhead compartment: Thanks to high-quality friction hinges, the lid opens smoothly and remains securely fixed at any desired angle. The storage options are complemented by heavy-duty, ball-bearing drawer slides, designed for a load capacity of up to 30 kg, ensuring maximum stability. Combined with the generous lower shelf, this workbench offers ample space for machinery, small parts, and tools.

Dimensions:

Inner dimensions small drawers: W 395 / D 375 / H 80 mm
Inner dimensions large drawer: W 890 / D 435 / H 80 mm
Overall dimensions: W 1142 / D 612 / H 1600 mm
Work height (including worktop): 920 mm
Work top load capacity: 80 kg
Load capacity bottom shelf: 80 kg
Load capacity drawers: 30 kg
Load capacity top compartment: 10 kg

Sustainability through guaranteed spare parts availability

Invest in order, efficiency, and professionalism. A true hallmark of KRAFTWERK products is their durability. Should a component ever need replacement after years of intensive use, we offer a comprehensive spare parts guarantee. The following components are available separately to ensure the long-term value of your investment:

Worktop made of rubberwood (Art. 104.198.000)
Perforated tool board for tool storage (Art. 104.198.004)
Drawers (Large: Art. 104.198.001 / Small: Art. 104.198.002)
Drawer slides for long-lasting, smooth operation (Art. 104.198.003)
