New Workbench

Art. 104.103.002
Workbench with 3 drawers and 2 wall cabinets

The solid KRAFTWERK Steel Workbench

Create the perfect workspace that meets your needs. This workbench is the ideal solution for garages, workshops, hobby rooms, or professional environments. It provides a solid and stable foundation for assembly, repairs, woodworking, metalworking, and many other tasks that require a reliable base.

The worktop is at a comfortable and ergonomic height of 92 cm. Its made of 20 mm thick certified rubberwood, known for its exceptional hardness, durability, and resistance to impacts and wear.

The integrated perforated back panel is perfect for keeping your most-used tools and accessories within easy reach. The heavy-duty ball-bearing drawers, with a load capacity of 30 kg, along with the overhead cabinets and an additional storage shelf, provide ample space for small parts, tools, and accessories.

Specifications:

- Small drawer inside: W 395 / D 375 / H 80 mm
- Large drawer inside: W 890 / D 435 / H 80 mm
- Workbench: W 1142 / D 612 / H 1678 mm
- Working height including worktop 920 mm
- Work top load capacity: 80 kg
- Base shelf load capacity: 70 kg
- Drawer load capacity: 30 kg
- Overhead cabinet load capacity: 8 kg

Optimal Workflow with Smart Accessories

To make the most of the integrated perforated back panel and take your organization to the next level, the extensive Mobilio hook assortment is available as an accessory. Enhance your workbench with practical tool holders, various storage bins, universal containers, and magnetic trays to safely store even the smallest parts and keep them within reach at all times. With these smart accessories, you can create a workspace that is not only robust but also perfectly tailored to your individual needs.

Spare parts:

- Worktop made of rubberwood (Art. 104.198.000)
- Perforated tool board for tool storage (Art. 104.198.004)
- Drawers (Large: Art. 104.198.001 / Small: Art. 104.198.002)
- Drawer slides (Art. 104.198.003)
- Door right 104.198.005 / left 104.198.006
