NEW BASIC LINE Metal tool box equipped

Art. 206.000.100
BASIC LINE, Metal tool box equipped, 1/4" + 1/2", 106-pcs.

Classic metal toolbox with complete basic equipment.

This fully equipped toolbox combines a sturdy metal construction with a comprehensive selection of tools for repairs, training purposes, and everyday workshop use. The tools are neatly organised, clearly arranged, and immediately accessible – ideal for tasks where reliable organisation and quick access are essential.

The robust design and the selection of 106 BASIC LINE tools make this toolbox a practical and versatile basic equipment set for schools, workshops, and DIY users.
