Workshop Rolling Seat with 3 Drawers & Spray holder

Professional KRAFTWERK Workshop Roller Seat

For demanding DIYers and professionals.

This multifunctional piece of furniture is not only a comfortable seat but also a well-thought-out mobile tool management system.

Smart Storage Concept
With three smooth, pull-out drawers, the roller seat offers plenty of space for the organized storage of small parts, wrenches, and specialty tools.

Drawer internal dimensions:
150 W / 298 D / 38 mm H

Practical Spray Can Storage: Special cutouts on the side of the roller seat serve as an ideal holder for spray cans, oils, or other liquids—keeping them always at hand and safe from tipping over.
The slots have a diameter of 69 mm.

Equipped with sturdy swivel casters, the seat can be moved effortlessly and positioned precisely in your workshop. It's designed for a maximum load capacity of 120 kg.

The replacement wheels (4 pcs) and the storage tray are available as replacement parts:

- 509.599.000 Replacement Wheels (4 pcs) for Workshop Roller Seat
- 509.599.001 Storage Tray for Workshop Roller Seat
